

Invitation to Lillehammer Young Leaders Programme

We're excited to welcome you to the Lillehammer Young Leaders Programme once again! The Lillehammer Olympic Legacy Sports Centre is calling on young sports leaders to apply and be a part of this year's amazing experience. Our theme for this year is "Sport for Peace."

Are you...

- 20 – 29 years old.
- Ready to expand your network, both nationally and internationally.
- Interested in developing your own leadership skills and being part of a valuable professional and social network.

And do you have...

- A burning passion for, and are committed to, sports, whether on or off the field.
- Positions in a sports organization – coach, leader, board member, organizer, etc.
- Motivation and desire to be among the selected participants in this year's Lillehammer Young Leaders Programme.

... then LYLP is for you!

The program offers both professional and social enrichment through a physical gathering in Lillehammer and two digital meetings, one prior to and one after the gathering in Lillehammer. New skills, new impulses, exchange of experiences, inspiration, and new acquaintances are the focus when LYLP 2024/2025 is conducted for the fourth time!

"The best part is all the people coming from all the different countries, with all the different perspectives. It's such an important thing to know and understand the cultures and perspectives in order to do sports for all." – Participant from the 2023 programme. To see more of what the programme has to offer see [this video](#).

Together, we create an arena where ideas, thoughts, and discussions take on new meaning.

Practical information / commitments:

- Dates:
 - Fysical programme: **20th – 23rd of February 2025**
 - Digital meetings: TBD
- 100% attendance at all gatherings is required.
